**Roswell Financial Planning Firm Recognized As One of
America's Top Wealth Managers**

[August 7, 2007 - ROSWELL, Georgia] — TandemGrowth Financial Advisors, LLC, a fee-only financial planning and investment advisory firm in Roswell, Georgia, has earned a coveted spot on *Wealth Manager* Magazine's annual ranking of America's Top Wealth Managers, "The Top Dogs." The ranking was based on a survey conducted earlier this year, and includes 464 elite wealth managers across the country. TandemGrowth is one of only twelve Georgia firms to earn a spot in this annual ranking.

To qualify for the ranking, firms had to meet the following criteria:

- They are registered investment advisors with the SEC,
- They must also offer financial planning services,
- At least 50 percent of the firm's client base must consist of "individuals" or "high-net-worth" individuals as defined by the SEC.

"We are honored to be selected for this exclusive ranking," said Jeff Bernier, managing director, TandemGrowth Financial Advisors, LLC. "The financial services industry is all about relationships, service, and helping people. We've always believed that if we can help enough people move toward their goals and reduce their financial fears, we will have a successful business. This strong desire to help our clients achieve their dreams, coupled with our technical and intellectual acumen, has us well-positioned to serve Atlanta's growing affluent market."

Wealth Manager Magazine is the premier resource for investment advisers and financial planners who manage assets for clients with high net worth.
