Atlanta Business Chronicle Recognizes TandemGrowth

[December 12, 2007 - ROSWELL, GA] - For the third consecutive year, TandemGrowth Financial Advisors, LLC, a fee-only financial planning and investment advisory firm, has earned a spot on the Atlanta Business Chronicle's annual ranking of **Atlanta's Top 10 NAPFA Fee-Only Investment Advisers** (November 30-December 6, 2007 issue). The ranking was based on a survey of assets under management conducted earlier in 2007.

"We created TandemGrowth believing that families truly needed an advocate, an independent, objective advisor to guide them through the ongoing challenges and opportunities that impact their wealth," said Jeff Bernier, managing director, TandemGrowth. "Our success as a firm is evidence that families value the role of a trusted advisor. We are both honored and blessed with the opportunity to serve such a great group of individuals."

The National Association of Personal Financial Advisors (NAPFA) is the professional organization for fee-only comprehensive financial planners.

"As a fee-only firm, we sell no products and can objectively offer counsel that we believe is strictly in our clients' best interests," said Bernier. "Our robust team of advisors and dedicated service associates remain committed to partnering with clients. We are well-positioned for the future and are looking forward to helping more families align their resources with their life's goals."

TandemGrowth Financial Advisors, LLC provides financial planning and investment management to affluent individuals and families.
